

# RESEARCH EXPERIENCES FOR UNDERGRADUATES

## VIRTUAL RECRUITMENT WEBINAR

November 12th, 4:00-5:00 CST

*Are you interested in natural hazards research from an engineering or social science perspective? Did you know most participants in the NHERI REU Program have not participated in research before their summer experience?*

**Learn more about National Science Foundation's NHERI REU program.**

Attend the **REU Virtual Recruitment Event** on Thursday, November 12th, 2020, from 4:00 p.m.-5:00 p.m. CST. [Register today online](#). Learn about a typical day in the life of an REU student, the program, funding, and application process.

**The NHERI Research Experiences for Undergraduates (REU) program offers funded research opportunities at 11 multi-hazard engineering equipment and social science sites during a 10-week summer research program.**

Study earthquake, wind, tsunami, coastal engineering, data management, cyberinfrastructure, reconnaissance, or natural hazards social science research. Travel funding provided, plus a stipend subsidy for room and board for the 10-week summer program.

\*Underrepresented minority, women, and military veteran undergraduate students are encouraged to apply.
